Mission

To build, strengthen, and preserve the family's full potential.

Vision

Creating family solutions.

Four Pillars

Compassion, Respect, Integrity, and Perseverance.

What do Supervised Visits Include?

- "Eyes and ears on" supervision for the duration of the visit.
- Experienced Supervision Monitors who are child-focused, trauma-informed, CPR Certified, and State-Mandated Reporters.
- Family-centered visitation rooms equipped with toys and games for children of all ages.
- Schedules based on orders of the court, mutual agreement between all parties including the Supervision Monitor, and financial commitment.
- Staggered arrival and departure times to avoid contact between parties.
- Takes place on the campus of The Children's Home of Easton.

SINCE 1885

How do Supervised Visits get Started?

Separate intake interviews must be completed by each party before visits can be scheduled.

- Intake interviews take place on the campus of The Children's Home of Easton.
- Program expectations and guidelines are reviewed during the intake interview.
- Each party must sign the Supervised Visit Contract and Instructions Form.
- Parents provide a copy of their court order and driver's license.
